Dear Mr. Bitter:

I have heard wonderful things about the Homosassa River Alliance and would like to receive any mailings you offer, including invitations to upcoming meetings and events. I will make every effort to attend.

I encourage you to contact me with any concerns pertaining to federal issues. One of the most common requests received by our office pertains to grant opportunities. With this in mind, in the event you find a grant opportunity that meets the needs of your organization, please know that Senator Nelson is committed to supporting quality programs and will be glad to consider writing a letter of support to accompany your application.

As Senator Nelson's Regional Director for Citrus County, I hope there are many opportunities for our offices to work together, and I look forward to exploring them with you in the coming weeks. I can be reached at:
